

EXAMPLE INQUIRY

EVALUATION

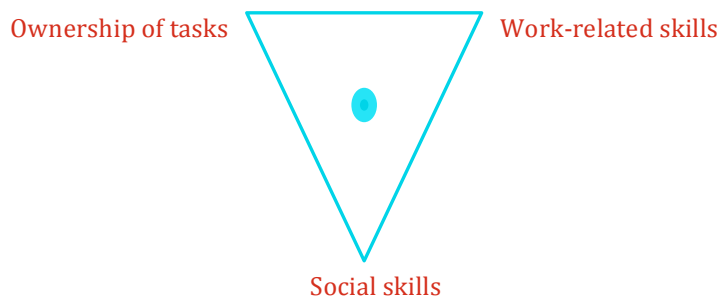

As part of new innovation ideas, a company decides to hold progress meetings every two weeks. There is a pilot of two months and after this time the company wants to know what these progress meetings have brought to the company. The company decides to put out an inquiry to find out more about the prevailing stories about the progress meetings and their influence on the work of the company.

Can you share a story of when a progress meeting influenced your work?

1. The influence was...

2. What did it influence?

- Male
 - Female
 - Prefer not to say
8. When did you join the company?
- Before 2010
 - Between 2010 and 2012
 - In or after 2013

Other potential questions on Evaluation:

- Tell us a (short) story about a time when you to evaluate something in your organization. This can be either a positive or a negative story.
- Can you tell us a story about a time when you felt your organization learned from past practice?
- Could you give us an example of when an evaluation assessment improved the work you do?
